Work out with peace of mind

Parents can enjoy all the in-house facilities the club has to offer in the knowledge that their child is being cared for in our Crèche.

Each session is staffed by trained and experienced carers alongside experienced mums who meet all the Kent County criteria. We provide a warm and relaxed setting where your child will be made to feel happy and safe where they can play and have fun. It is our paramount responsibility to ensure the safety and well being of all the children in our care.

The Crèche can be booked up to 7 days in advance for 1 hour, 1.5 hours or 2 hours Monday to Friday 9.30am to 11.30am.

We take children from the age of 10 weeks (after injections) up to 7 years.

Booking and cancelling

Bookings can be made up to 7 days in advance providing there are spaces. We also operate a waiting list in case the Crèche is fully booked. We ask you to give us as much notice as possible when cancelling to allow others the opportunity of the space.

Registering

Parents / Guardians must complete a Registration Form for their child using the Crèche prior to the child's first session. Every time your child is booked into the Crèche you must register at reception, pay and collect a duration token that you need to give to our Crèche staff.

Sickness

If your child / children are sick, we must stress that you do NOT book them into the Crèche and that you keep them at home to avoid spreading infection. Allow 48 hours before booking them in again after the sickness has passed.

Feeding

The Crèche staff are happy to bottle feed and give snacks and drinks that you have provided.

For further information or to arrange a visit of the Crèche please call us on 01233 713 858.
